

## Social Security Administration

## § 435.21

SSA follows the provisions of Executive Order 12770, "Metric Usage in Federal Government Programs" (3 CFR, 1991 Comp., p. 343).

### § 435.16 Resource Conservation and Recovery Act.

Any State agency or agency of a political subdivision of a State which is using appropriated Federal funds must comply with section 6002 of the Resource Conservation and Recovery Act (Public Law 94-580; 42 U.S.C. 6962). Section 6002 requires that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in guidelines developed by the Environmental Protection Agency (EPA) (40 CFR parts 247 through 254). Accordingly, State and local institutions of higher education, hospitals, and non-profit organizations that receive direct Federal awards or other Federal funds must give preference in their procurement programs funded with Federal funds to the purchase of recycled products pursuant to the EPA guidelines.

### § 435.17 Certifications and representations.

Unless prohibited by statute or codified regulation, SSA will allow recipients to submit certifications and representations required by statute, executive order, or regulation on an annual basis, if the recipients have ongoing and continuing relationships with the agency. Annual certifications and representations must be signed by responsible officials with the authority to ensure recipients' compliance with the pertinent requirements.

## Subpart C—Post-Award Requirements

### FINANCIAL AND PROGRAM MANAGEMENT

### § 435.20 Purpose of financial and program management.

Sections 435.21 through 435.28 prescribe standards for financial management systems, methods for making payments and rules for: satisfying cost sharing and matching requirements, accounting for program income, budget revision approvals, making audits, de-

termining allowability of cost, and establishing fund availability.

### § 435.21 Standards for financial management systems.

(a) *Introduction.* SSA requires recipients to relate financial data to performance data and develop unit cost information whenever practical.

(b) *Basic requirements.* Recipients' financial management systems must provide for the following:

(1) Accurate, current and complete disclosure of the financial results of each federally-sponsored project or program in accordance with the reporting requirements set forth in § 435.52. If SSA requires reporting on an accrual basis from a recipient that maintains its records on other than an accrual basis, the recipient will not be required to establish an accrual accounting system. These recipients may develop such accrual data for its reports on the basis of an analysis of the documentation on hand.

(2) Records that identify adequately the source and application of funds for federally-sponsored activities. These records must contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.

(3) Effective control over and accountability for all funds, property and other assets. Recipients must adequately safeguard all such assets and assure they are used solely for authorized purposes.

(4) Comparison of outlays with budget amounts for each award. Whenever appropriate, financial information should be related to performance and unit cost data.

(5) Written procedures to minimize the time elapsing between the transfer of funds to the recipient from the U.S. Treasury and the issuance or redemption of checks, warrants or payments by other means for program purposes by the recipient. To the extent that the provisions of the Cash Management Improvement Act (CMIA) (Public Law 101-453; 31 U.S.C. 6501) govern, payment methods of State agencies, instrumentalities, and fiscal agents must be consistent with CMIA Treasury-State
